

# Compliance automated and uncomplicated.

Ever-increasing regulations. Elevated scrutiny on safeguarding consumer information. There has never been a better time to be confident in your compliance management program.

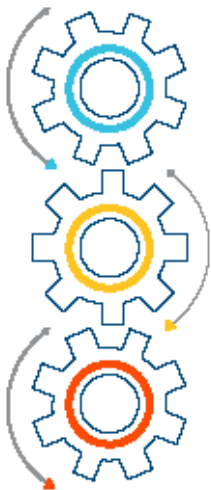

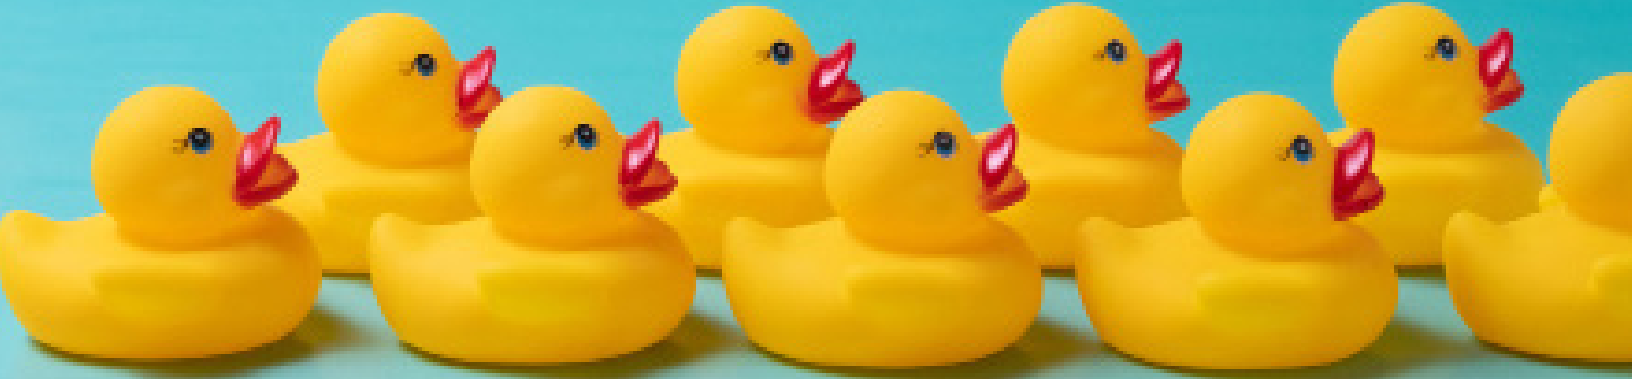

- ✓ **Can you start compliance reviews with a click of your mouse?**
- ✓ **Can you test a control one time to satisfy many requirements?**
- ✓ **Do you have one place to bring all your control details together?**
- ✓ **Are your audits efficient as possible?**

With Virtual Guardian GRCx Compliance Management, your answer will always be yes. This easy-to-implement cloud-based solution can be customized and automated to work with your existing processes, providing you with one single source of truth about your organization's compliance.

# Uncomplicated and audit-ready.

Non-compliance puts you and your customers at risk. Why gamble with your bottom line and reputation when there's an easy solution to fit your unique needs? Compliance Management from Virtual Guardian GRCx gives you the oversight you need to meet your compliance goals without recreating your processes. Now you can reduce the risk of regulatory fines, eliminate time-consuming manual tracking tasks, and always be confident you're audit ready.

## A SMARTER WORKFLOW

Automatically generate tasks, reviews, and sign offs to ensure compliance with the policies and standards of your industry.

## A SINGLE SOURCE

Completed tasks are sorted and stored in the Evidence Locker for internal and external auditors to review, so you're always ready to respond.

## CUSTOMIZED TO YOUR PROCESS

Get a flexible solution that works with your process to help streamline compliance management.

## TAKE COMMAND OF COMPLIANCE

See it all from the dashboard from anywhere, anytime to easily spot areas of concern and create tasks and track remediation.

## Regulated Industries supported by GRCx

- Financial
- Healthcare
- Retail
- Manufacturing
- Energy
- Non-profit

## Give us a week, we'll change your work world.

Let us demo for you how quickly you can vastly improve your compliance management and start reaping the rewards of an automated system.
